

**FILING INSTRUCTIONS FOR DECLARATION FOR IMPORTATION OR EXPORTATION OF FISH OR WILDLIFE (USFWS FORM 3-177)**

NOTE: Failure to file a declaration for importation or exportation of fish or wildlife when required by the regulations in 50 CFR Part 14 is a violation of the Endangered Species Act of 1973 as amended (16 U.S.C. 1531 et. seq.). Regulations concerning the importation and exportation of wildlife may be found in [50 CFR Part 14](#). Form 3-177 must be filed with the appropriate wildlife inspection office, U.S. Customs and Border Protection office or regional law enforcement office as required under 50 CFR Part 14. **Do not** file or forward this form to the Information Collection Clearance Officer in Arlington, Virginia.

Instructions: We strongly encourage all filers to use the U.S. Fish and Wildlife Service electronic filing system (eDecs) to reduce paper and time. Filers may access the internet filing system at <https://eDecs.fws.gov/>. Filers may also access an on-line Adobe Acrobat version of Form 3-177 ([http://www.fws.gov/le/pdf/3177\\_1.pdf](http://www.fws.gov/le/pdf/3177_1.pdf)) where the form can be filled in on-line and printed. Filers cannot save their completed on-line form unless they own the Adobe Acrobat software. For filers who choose to file a paper form, you must file the original declaration, and up to 2 copies to be retained by the Importer/Exporter or Broker. Print or type legibly. All filers are required to provide all relevant information, including supplemental documentation (as required in 50 CFR 14).

1. Enter the date of import into, or export from, United States jurisdiction (as defined by 50 CFR 14).
2. Enter the USFWS Import/Export License Number as required in 50 CFR 14.
3. Check the appropriate box.
4. Enter the appropriate 2-letter Port code from the list below. If the Port is not listed, use the numeric code for the Region where the port is located.

\*When using the numeric code, enter the name of the port. You must include a copy of your USFWS Designated Port Exception Permit in the document package, if applicable.
